MOU signed between ENSPL and BAMU at Chhatrapati Sambhajinagar (Aurangabad).

A landmark Memorandum of Understanding (MOU) was recently signed between Mr. Kishor Veer, Managing Director of Ellora Natural Seeds Private Limited, and Dr. Vijay Phulari, Vice Chancellor of Dr. Babasaheb Ambedkar Marathwada University (BAMU), in Chhatrapati Sambhajinagar (Aurangabad). This MOU, a testament to our shared vision and commitment, encompasses various fields, including research and allied subjects, and marks a significant milestone in our collaborative efforts.

This historic agreement holds great promise for both parties, fostering mutual growth and development in the designated areas. It stands as a testament to the efficacy of public-private partnerships, underlining their crucial role in advancing societal welfare. The expedited progress within these sectors is expected to yield substantial benefits for all stakeholders, sparking optimism and excitement about the future.

Mr. Kishor Veer's visionary leadership was pivotal in conceptualizing this innovative MOU and anticipating the selected fields' evolving landscape and changing dynamics. The signing ceremony, a momentous occasion, was attended by esteemed members of Ellora Natural Seeds Private Limited and Dr. Babasaheb Ambedkar Marathwada University, marking a significant step in our shared journey of growth and development.

Bejo Global and India Management Team Makes Courtesy Visit to ENSPL

The top management team of Bejo Global from the Netherlands and India visited the ENSPL campus. Mr. Kishor Veer, Managing Director, and Mr. Shivkumar Thombare warmly welcomed the overseas team.

Mr. Kishor Veer explained the research, production, and marketing activities. The guests were guided to the research fields and the Factory Works Department (FWD). The Bejo team was impressed with ENSPL's international-level facilities, and there was continuous interaction throughout their visit.

As a testament to the successful visit, the global Bejo team extended a direct invitation to the top management team of ENSPL to visit the Bejo facilities in the Netherlands, expressing their eagerness for continued collaboration.
